11:00 am to?

---

The Capitol Peak Repeater provides everything; Hot Dogs, Hamburgers, fixen's, the works. This is a family affair and you do not have to be a member to attend. Fun and food begin at 11:00.

There will be a free drawing for neat prizes along with a new Icom IC-V86 VHF Portable radio.

You must be a member of the Repeater Group to win the mobile, but not the many other prizes.

In the past, it has been difficult to guess the number of those attending this affair. It has also become quite expensive. Please let us know before July 16<sup>th</sup> if you will be attending. That way we can estimate the amount of food and provisions needed.

Please also be prepared to conform with any Covid regulations that might be in effect and possibly being enforced by the City of Olympia ran park.
